

## **PHYSICAL EDUCATION AND HIGH QUALITY SPORT**

### **‘Securing high quality sports opportunities for all’**

#### **National Context:**

The government is providing additional funding for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in Primary Schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to Primary School Head Teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

#### **Purpose of Funding:**

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with Primary Teachers when teaching PE
- Supporting and engaging the least active children through new or additional Change4Life clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release Primary Teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils’ participation in School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

#### **At Leonard Stanley ...**

We believe that every child should be given the opportunity to develop physically, emotionally and socially through a range of activities that support, challenge and enhances their whole development. We believe that this can be achieved through engagement with PE and Sport.

The School has a planned programme for PE, Games and Dance. This is supported through a range of extended activities beyond the school day including:

- Extra-curricular clubs (e.g. football/tag rugby/netball/cross country/multi sports/fitness/cricket/athletics/tennis etc.)
- Involvement with inter school competitions (Stroud Schools Sports Association – major games links with local and national sports clubs/Associations (Stroud RFC/Frampton Tennis Club/Stonehouse FC/Glos Football Academy for Girls/Ski England etc.)
- Extend activities including ‘Learning Through Sport Programme’ and residential Adventure Week (PGL – Ross on Wye)

- Opportunities for Y5 pupils to participate in sports leadership (Sports Leadership UK programme)
- Annual Sports Day (multi sports and team competition)
- Guest/motivational speakers (e.g. former England Women's Rugby Player/International referee/Transplant Games multi-gold medallist etc.)

The allocation for Leonard Stanley Primary is £8705.

### **How are we going to achieve our aims?**

The School has prioritised Actions to meet the provision for PE and Sport during 2013/14 and will be using the additional funding:
