Dear Parents/ Carers,

As part of our whole school PSHCE (Personal, social, health and citizenship education) the children will be having their annual sessions with the life education team on Thursday 27<sup>th</sup> and Friday 28<sup>th</sup> June 2019.

These sessions are carried out in year groups and each class will take part in activities based around age appropriate topics, which form an important part of their growing up and learning about themselves and the world around them. Topics that will be covered include; healthy eating, friendships, our bodies and legal and illegal drugs.

There is also an opportunity for parents to attend a session on Friday 28<sup>th</sup> June 2019 2:45 – 3:15pm. This will provide you with an opportunity to discuss matters that you may wish to discuss with your children and ways to approach them.

If you would like more information on the topics that your child/ children will be covering please visit the link below.
