Dear Parents/Carers

We are writing to you to clarify the situation of winter footwear at our school.

Winter footwear should consist of strong, sensible school shoes in either black, brown, or grey. Winter boots are **not suitable** for girls to wear at school as they are particularly difficult for the younger children to get on and off during the school day, and also impede sitting in the cross-legged position on the carpet.

Therefore we are specifically requesting that you do not send your child to school in winter boots. If this happens, we will ask the child to remove their boots immediately and change into their daps for the duration of the school day.

We thank you for your co-operation in this matter.

Many thanks.

Mr A Green  
Head Teacher
